Oliver Yerbury-Hodgson
Lead Software Engineer

Dear Oliver,

Confirmation of Redundancy

Following the consultation process regarding the proposed restructure, I am writing to confirm that your role of Lead Software Engineer has been identified as redundant. Unfortunately, after careful consideration, there are no suitable alternative roles available at this time.

Your employment with Open Utility Ltd (trading as Piclo) will therefore end by reason of redundancy on Wednesday 12 November. Your contractual notice period will be paid in lieu.

A separate letter will follow confirming the details of your redundancy payments and any final amounts due to you.

If you would like to provide any feedback or comments regarding this outcome or the process, you are welcome to do so by emailing hr@piclo.energy within 5 days. While this is not a formal appeal process, we will review and respond to any feedback you share.

We would like to thank you sincerely for your contribution to Piclo and the professionalism you have shown during this process. We wish you all the best in your future endeavours.

Yours sincerely
