Dear Oliver

Salary Increase from June 2024

Further to James's update today during our Company Update, the Board has approved an annual inflationary increase of 4%.

I am pleased to confirm that your salary, from 1st June 2024, will be **£80,348**, which also includes a market adjustment.

To reiterate James's words, the Execs thank everyone for their individual and collective hard work in decarbonising the world's grids.

Best wishes
