19/06/24

Dear Mr Yerbury-Hodgson,

About your recent visit to Wellington Hospital

Thank you for choosing to be one of the 250,000 patients we care for every year through our prestigious network of private hospitals, clinics and urgent care centres.

Your insurer should have already written to you to let you know that there is an outstanding balance of £150.00 on your account with us. If you provided your credit or debit card details when you registered as a patient with us, we will process this payment 14 days from the date of this letter - no further action is required from you.

If we do not hold your credit or debit card details on file, or if your card has expired, you can pay via our secure, online payment portal:

STEP 1

Visit our website or scan above QR code:

www.hcahealthcare.co.uk/pay

You'll need your account number:
W1918722

Amount due: **£150.00**

STEP 2

Our payment methods include several international credit card providers.

Your payment details will be processed on our secure payment gateway.

STEP 3

You'll receive confirmation of your payment via email.

Please allow ten days for us to match this payment to your account.

In the frequently asked questions section overleaf, we've included some of the most common reasons why our patients with health insurance find that they have an outstanding balance after treatment.

If you require assistance in paying your invoice, we're available between 9am and 5pm from Monday to Friday by phone: **020 7034 4640** and by email: customerservice@hcahealthcare.co.uk

Please have the details of your invoice to hand, which we have included below:

Patient name: **Mr Oliver Yerbury-Hodgson**

Treatment at:
Treatment date(s): **Wellington Hospital**
04/06/24

Account number:
Amount due: **W1918722**
£150.00

Yours sincerely,

Customer Services
HCA Healthcare UK

Some of our frequently asked questions:

Q. I am insured, so why am I being asked to pay?

A. There may be a difference between your policy cover and the cost of your treatment. Your insurer should outline to you in advance when you will be charged for this difference (usually referred to as a policy excess or deduction). In these cases, we will not generate an invoice as this isn't a charge for your treatment, but rather a request to cover this excess.

Q. I have a query about charges on my invoice, who can I speak to?

A. Often, things such as discharge medication, meals to the room and equipment like crutches will not be covered by your insurance or your self-funded 'fixed pay' or 'packaged' price. If you'd like to discuss any of these charges, please call us on: **0207 034 4640** or email **customerservice@hcahealthcare.co.uk**

Q. I've already received a bill from my consultant - why have I received another invoice?

A. Most of our consultants are self-employed, so their consultation fees are charged separately to our hospital fees. Our hospital fees include all other aspects of your care.

Q. I have already paid my invoice - why have I received this letter?

A. Our payment reminders are sent automatically from our billing system. If you have paid your invoice within the last 10 days, it is likely our systems have not updated yet. Please be assured that you do not need to do anything, and you should not receive another reminder from us. However, if you have paid your invoice longer than 10 days ago, please call us on: **0207 034 4640** or email: **customerservice@hcahealthcare.co.uk** to enable us to match your payment to your account.

Q. How do I get a receipt or confirmation of payment?

A. Our secure, online portal is the quickest way to pay, and can be accessed by visiting

www.hcahealthcare.co.uk/pay

You will automatically receive confirmation of your payment by email. If you prefer to pay by phone, we will email you a receipt following the call.

Q. I self-funded my treatment but didn't receive an invoice - how do I get a copy?

A. You should have received an invoice from HCA Healthcare UK within seven days of your treatment. If you haven't received this, please call us on: **0207 034 4640** or email: **customerservice@hcahealthcare.co.uk** and we will send you a copy of your invoice.

Q. I already left my credit/debit card details in the hospital - why am I being asked to pay again?

A. Please be assured that all credit/debit card details are kept securely and deleted after 180 days. It may be that your credit card provider did not authorise this transaction, that your details have expired from our system, or that your card had expired after we tried to authorise payment.

Q. Can I pay my invoice by bank transfer?

A. Yes, you can pay directly into our Barclays bank account using the following details:

Account Name: HCA International Limited

Account Number: 8093 3279 **Sort Code:** 20-74-71

Please remember to include the patient's account number on the reverse of this page as the payment reference, or we may not be able to match the payment to your account.
