This means that when your policy comes up for renewal you'll be continuously covered, including your add-ons.

If you want to change this, get in touch any time before your renewal date. The 'Can we help?' Section on the front of the document shows all the ways you can get in contact. If you take the policy off automatic renewal, this will mean that your policy will lapse on the renewal date unless you tell us otherwise.

We'll send your renewal pack about 21 days before your renewal date. This will include your new premium and terms.

If we can't renew your policy, or if we need to talk to you before we can renew your policy, we'll let you know.
