ADDITION OF LENDER FEES TO MORTGAGE

Certain lender fees are payable, for the mortgage that you are applying for. Some of these fees may have to be paid in advance, however others you will have the option of adding to your mortgage. If you choose to add the fees to your mortgage you will be borrowing more and this will increase the amount of interest that you will pay over the life of the mortgage.

We have discussed the advantages, disadvantages and costs of both adding the lender fees and not adding the lender fees to the mortgage amount and you have chosen to add the lender's fees to the mortgage.

You are aware of the additional cost of adding the lender's fee and the impact on the overall cost of your borrowing.

Property Address 55 Avon Street, Warwick, CV34 4PX

Lender Name Nationwide Building Society

**Mortgage Borrowing
(Including Fees)** £226,765.55

Total Amount of Fees Added £999

I/We understand the consequences of the decision to add the lender fees to the mortgage and wish to proceed on this basis.
